Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Friday 09 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny start, showers later.

Today:
A sunny start across the region with cloud slowly building during the morning. Showers likely during the afternoon, turning heavy at times, particularly across Lincolnshire. Maximum temperature 24 deg C (75 deg F).

Tonight:
Any showers will fade away early this evening leaving a mainly dry night with intermittent cloud. Becoming cloudier during the early hours of the morning with showers in the south. Minimum temperature 15 deg C (59 deg F).

Saturday:
Showers will continue to develop across the region on Saturday, slow moving and heavy at times with a low risk of thunder. Showers fading away in the evening, clear overnight. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
An unsettled outlook with heavy showers developing on Sunday and Monday, possibly with thunder. Light showers on Tuesday, cloudy with rain along the east coast.
